Please plan to attend FHHS Viking Football Contract Night on Wednesday, April 5th beginning at 5:30p.m. in the FHHS Library. Contract Night is a mandatory event for all students planning to play Viking football in 2017. Players and their families are invited to meet the coaches and hear them speak about the upcoming season, get their physical, take the impact test, turn in their contract and other materials necessary to register for football.

A calendar of events, including game schedules, practice times and other events, is already available and posted on the FHHS Vikings website at: www.fhhsvikings.com. Click on the link for Calendar.

This packet contains various forms that MUST be completed for participation in Viking Football and is being provided in advance to make Contract Night run as smoothly as possible. Please complete appropriate forms and bring everything with you to Contract Night. Players with other sport conflicts on Contract Night should talk to Coach Snyder to arrange payments and return their completed paperwork.

Each player must have the following forms on file in order to play football: Player Information sheet, Player Contract, Parent Activities Form, Drug Testing Consent Form, District Activities Form, Trainer Emergency Contact form, Activities Handbook Acknowledgement form, Impact Testing Consent, Private Transportation Form and a current Physical.

FHSD Activities Form: (all players) This form is required and is your “permission slip” to play football.

Drug Testing Consent Form: (new players only) This form is required only once in a student’s high school career. Incoming freshmen and new players should complete this form. Any questions regarding the drug testing program or form should be directed to the Activities Office at 636-851-4765 or to a member of the coaching staff on Contract Night.

Trainer Emergency Contact Form: (all players - every year)

Impact Testing Consent Form: (Incoming freshmen, 2017-2018 juniors and new players should complete this form.) This form is required every two years in a student's high school career.

Activities Handbook Acknowledgement Form: (all players - every year)

Private Transportation Form: (all players – every year)

Parent Permission Form: (all players - every year)

Physicals: (all players - every year) A copy of the physical form is included in this packet. Players who already have a new physical (after February 1, 2017) may turn them in on Contract Night. Physicals given after February 1, 2017 will be good for 2017 spring sports and for the 2017-2018 school year. Physical forms must be completely filled out -- including the back page -- and the doctor’s signature must be dated. These items are often overlooked. All players must have a physical in order to participate in either Viking camp or Pitt State camp. Returning players’ physicals are valid through June 30; therefore, new physicals are not required in order to attend either camp. All physicals for the 2017 season must be on file by July 1.

Physicals Available on Contract Night: Physicians will be present to perform sports physicals on Contract Night. Physicals are complimentary for 12tH Man Members. Membership in the 12tH Man is $75.00.

12tH Man Booster Club Membership: Membership dues for each family member is $75.00. The 2017 Membership entitles your family to 1 free physical on contract night; to not have to work concession stand for any game during the football season; and to vote at all 12tH Man meetings, plus a 12tH Man T-shirt and car window decal. Membership funds are used to pay another school organization to work the concession stand for all home games, with the football program keeping the profits from concession sales.
Volunteers: We will need family members to volunteer from time to time. Specifically, we need individuals to step up and help out with the following events:

- Pitt State Team Camp send-off
- Viking Camp
- Jr. Viking Camp
- Blue and Gold Day
- Gateway Jr. Football Tournament Concessions

Signup sheets and additional information will be available at the Volunteer table at Contract Night.

Fundraisers: Several fundraisers will take place during the year, including:

- Mouse Races, April 29th, 2017 – you can purchase tickets/tables and sponsor mice at Contract Night
- Gold Cards

More information about fundraisers will be given on Contract Night.

The cost is $75 per player and includes a camp T-shirt, shorts and drinks each day. Players planning to attend should complete the registration form. Players should wear cleats, shorts, t-shirt, helmet and shoulder pads. Girdle - optional. Check payable to FHFB.

Pitt State Football Camp: Pitt State Team Football Camp in Columbia is June 8 – 10 and is $240 per player. **Recommendations:**

I have examined the above-named student and completed the pre-participation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

PRE-PARTICIPATION PHYSICAL EVALUATION
Missouri State High School Activity Association (MSHSAA) Eligibility and Authorization Statement

STUDENT AGREEMENT (Regarding Conditions for Participation)

This application to represent my school in interscholastic athletics is entirely voluntary on my part and is made with the understanding that I have studied and understand the eligibility standards that I must meet to represent my school and that I have not violated any of them.

I have read, understand, and acknowledge receipt of the MSHSAA brochure entitled “How to Maintain and Protect Your High School Eligibility,” which contains a summary of the eligibility rules of the MSHSAA. I understand that a copy of the MSHSAA Handbook is on file with the principal and athletic administrator and that I may review it in its entirety, if I so choose. All MSHSAA by-laws and regulations from the Handbook are also posted on the MSHSAA website at www.mshsaa.org.

I understand that a MSHSAA member school must adhere to all rules and regulations that pertain to school-sponsored, interscholastic athletics programs, and I acknowledge that local rules may be more stringent than MSHSAA rules.

I also understand that if I do not meet the citizenship standards set by the school or if I am ejected from an interscholastic contest because of an unsportsmanlike act, it could result in me not being allowed to participate in the next contest or suspension from the team either temporarily or permanently.

I understand that if I drop a class, take course work through Post-Secondary Enrollment Option, Credit Flexibility, or other educational options, this action could affect compliance with MSHSAA economic standards and my eligibility.

I understand that participation in interscholastic athletics is a privilege and not a right. As a student athlete, I understand and accept the following responsibilities:

- I will respect the rights and beliefs of others and will treat others with courtesy and consideration.
- I will be fully responsible for my own actions and the consequences of my actions.
- I will respect the property of others.
- I will respect and obey the rules of my school and laws of my community, state, and country.
- I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state, and country.

I have completed and/or verified that part of this certificate which requires me to list all previous injuries or additional conditions that are known to me which may affect my performance in so representing my school, and I verify that it is correct and complete.

Signature of Athlete:_________ Date:_________

PARENT PERMISSION (Authorization for Treatment, Release of Medical Information, and Insurance Information)

Informed Consent: By its nature, participation in interscholastic athletics includes risk of serious bodily injury and transmission of infectious disease such as HIV and Hepatitis B. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. PARENTS, GUARDIANS, OR STUDENTS WHO MAY NOT WISH TO ACCEPT RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM. STUDENTS MAY NOT PARTICIPATE IN MSHSAA-SPONSORED SPORT WITHOUT THE STUDENT’S AND PARENT’S/GUARDIAN’S SIGNATURE.

I understand that in the case of injury or illness requiring transportation to a health care facility, a reasonable attempt will be made to contact the parent or guardian in the case of the student-athlete being a minor, but that, if necessary, the student-athlete will be transported via ambulance to the nearest hospital.

We hereby give our consent for the above student to represent his/her school in interscholastic athletics. We also give our consent for him/her to accompany the team on trips and will not hold the school responsible in case of accident or injury whether it be enroute to or from another school or during practice or an interscholastic contest; and we hereby agree to hold the school district of which this school is a part and the MSHSAA, their employees, agents, representatives, coaches, and volunteers harmless from any and all liability, actions, causes of action, debts, claims, or demands of every kind and nature whatsoever which may arise by or in connection with participation by my child/ward in any activities related to the interscholastic program of his/her school.
If we cannot be reached and in the event of an emergency, we also give our consent for the school to obtain through a physician or hospital of its choice, such medical care as is reasonably necessary for the welfare of the student, if he/she is injured in the course of school athletic activities. We authorize the release of necessary medical information to the physician, athletic trainer, and/or school personnel related to such treatment/care. We understand that the school may not provide transportation to all events, and permit / do not permit (CIRCLE ONE) my child to drive his/her vehicle in such a case.

To enable the MSHSAA to determine whether the herein named student is eligible to participate in interscholastic athletics in the MSHSAA member school, I consent to the release of the MSHSAA any and all portions of school record files, beginning with seventh grade, of the herein named student, specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, academic work completed, grades received, and attendance data.

We also understand that if our son/daughter does not meet the citizenship standards set by the school or if he/she is ejected from an interscholastic contest because of an unsportsmanlike act, it could result in him/her not being allowed to participate in the next contest or suspension from the team either temporarily or permanently.

I consent to the MSHSAA’s use of the herein named student’s name, likeness, and athletic-related information in reports of contests, promotional literature of the Association and other materials and releases related to interscholastic athletics.

We further state that we have completed that part of this certificate which requires us to list all previous injuries or additional conditions that are known to us which may affect this athlete’s performance or treatment and we certify that it is correct and complete.

ACTIVITIES DESIRING TO PARTICIPATE: ______________________________________________

This application to participate in interscholastic activities in the Francis Howell School District is voluntary on my part and is made with the understanding that I am eligible under the following rules set by M.S.H.S.A.A. and the additional rules set by the Francis Howell School District.

M.S.H.S.A.A. ELIGIBILITY STANDARDS
1. Must be a creditable school citizen.
2. Cannot be 19 years old before July 1 preceding opening of school.
3. Cannot have graduated from a four-year high school.
4. Cannot have attended eight semesters of high school.
5. Cannot have competed in four seasons of a particular sport.
6. Must be enrolled in school the first 11 days of the semester.
7. Cannot have played under a false name.
8. Cannot commit an unsportsmanlike act.
9. Students serving school suspension are not eligible to practice or compete in school activities.
10. Must be enrolled in courses offering 3.0 units of credit.
11. Must have earned 3.0 units of credit the preceding semester. Summer school credits may apply to state eligibility standards. No more than 1 credit in summer school shall be counted towards eligibility.
12. Must have satisfactorily passed a physical examination dated after February 1 immediately preceding the first day of the season for the activity in which you wish to participate. The examination report must specifically state that you “Cleared for all sports without restriction” and must be signed by the physician who conducted the examination.
FRANCIS HOWELL DISTRICT ELIGIBILITY STANDARDS

1. Must maintain a minimum 1.5 current G.P.A.
2. Must attend all practices, contests, and other performances unless excused by the coach.
3. Must not have any outstanding fines.
4. Must attend school the entire day of a game and must attend school on Friday to play on Saturday.
5. Any student who falsifies the physical examination form or any other required participation form is subject to suspension and/or permanent removal from the team or group by the Activities Director and/or Principal, and may be suspended or removed from additional activities depending upon the nature and magnitude of the offense.
6. Must be a creditable school citizen in accordance with the following standards:
   a. Students who are serving out-of-school (or in-school) suspensions may not practice for or participate in school activities during the suspension. Multiple and/or serious violations of the Code of Student Conduct may result in long-term suspension and/or permanent removal from current and future school activities.
   b. You must not use, possess, or distribute tobacco products while on school property or at school activities, whether on or away from District property.
   c. You must not use, possess or distribute alcohol or controlled substances at any time, whether on or away from school property.
   d. You must not be arrested for, charged with, or convicted of a felony or misdemeanor under either criminal or juvenile law, whether the offense occurs on or away from school property. When a student is accused of an offense under either criminal or juvenile law, the charges may be dismissed or the student acquitted due to the high standard of proof required under criminal and juvenile proceedings: guilt beyond a reasonable doubt. However, the District reserves the right to make an independent determination regarding whether the student engaged in the misconduct alleged, and is required only to establish by a preponderance of the evidence (more likely than not) that the student engaged in such misconduct.

The District does not have the authority to excuse students from the eligibility requirements established by MSHSAA. Additionally, students are uniformly expected to comply with the eligibility requirements established by the District. Accordingly, the procedures below are provided for the sole purpose of preventing suspensions and/or removals based upon inaccurate or incomplete information.

The procedures are not intended to provide standing with an opportunity to (1) avoid suspension or removals imposed for conduct they have actually committed, or (2) ask principals and/or the Board of Education for leniency when an appropriate consequence has been imposed for conduct that has actually occurred.
1. In most cases, a student should be advised of the reason for the suspension or removal from an activity, and provided with an opportunity to respond, prior to imposing the consequence.

2. When it is necessary in the judgment of the coach, sponsor, activities director, or principal to suspend or remove a student from an activity prior to advising the student of the reason for such suspensions or removal, the student should be advised of the reason and given an opportunity to respond within a reasonably prompt time after the consequence has been imposed.

3. Students may appeal a suspension or removal imposed by a coach or sponsor to the Activities Director.

4. Students may appeal a suspension or removal imposed or affirmed by the Activities Director to the Building Principal.

I UNDERSTAND THAT PARTICIPATION IN SCHOOL ACTIVITIES IS A PRIVILEGE AND NOT A RIGHT. I UNDERSTAND THAT I AM REQUIRED TO COMPLY WITH ALL OF THE ABOVE-LISTED REQUIREMENTS TO BE ELIGIBLE FOR PARTICIPATION IN SCHOOL ACTIVITIES. I UNDERSTAND THAT VIOLATION OF ONE (1) OR MORE OF THE ABOVE RULES MAY RESULT IN SUSPENSION AND/OR PERMANENT DISMISSAL FROM THE CURRENT TEAM OR ACTIVITY AND FROM ADDITIONAL SCHOOL ACTIVITIES, DEPENDING UPON THE NATURE, FREQUENCY, AND SEVERITY OF THE VIOLATION(S).

PARENT PERMISSION

Dear Parents,

Field trips provide an opportunity for students to experience learning activities that are not available in a school setting. While these events are an exciting time for students, it is also a time when misbehavior can occur.

In order to make these trips successful, the attached guidelines have been created. I respectfully request you preview these guidelines. Please contact your principal or sponsor if you have questions about any part.

For the safety of all students and staff, it is important to note that the Francis Howell School District Code of Student Conduct will be in effect throughout the entire field trip and event. This includes travel time, events, hotel stays, excursions, camps and all other times. It is very important that both parents and students understand the District's behavior expectations and consequences should an incident occur during a field trip.

We want the field trip experience to be a positive experience for all and are hopeful these guidelines will help us partner with you to make sure all students have a good trip.

Sincerely,

Mary Hendricks-Harris
Chief Academic Officer
Field Trip Information for Parents

- All students shall be required to have a permission form and a student information form signed by a parent/guardian to participate in a field trip. In cases where there are a series of field trips for a class, only one permission form is necessary.

- District or school sponsored trips have an educational purpose and a direct correlation with a specific activity, unit, or course of study. Care is taken to avoid exclusion of students from participating in the program due to economic circumstances.

- Parents need to make sure they have a clear understanding of who is sponsoring the trip, i.e., district-sponsored or non-district sponsored. The district assumes no liability for non-district sponsored activities.

- Parents should attend all informational meetings as outlined by the trip sponsor. Minimally, parents whose children attend out-of-town or overnight trips need to attend a meeting once per season (sports) or semester (clubs).

- **The Francis Howell School District Code of Student Conduct will be in effect throughout the entire field trip and event.** This includes travel time, events, hotel stays, excursions, camps and all other times. **All consequences outlined in the Code of Student Conduct will be enforced consistent with school settings, regardless of time or place.**
  - If, for disciplinary reasons, it is necessary to send a student home, the parent will be responsible for making all arrangements to ensure the student’s safe return home. A teacher/coach/sponsor will not leave the group to escort a student home. Parents will be responsible for transportation costs if their child is sent home early.

- All field trip volunteers must comply with the District volunteer requirements including background checks. District-sponsored trips must maintain a ten to one student to chaperone ratio.

- Parents should work directly with the sponsor/coach if their child has a medical condition that requires the administration of medication. The Board of Education policy that addresses administering medicine to students (2870) is in effect for field trips.

- Francis Howell students are required to follow District guidelines concerning the use of alcohol, illegal drugs and tobacco products on school sponsored activities. Engaging in this behavior will subject a student to disciplinary action up to and including the possibility of being sent home and receiving additional consequences under the Code of Student Conduct.
Francis Howell School District Field Trip
Student Agreement Form

The student agrees:

1. As a student representative of the Francis Howell School District, I will do my best to be aware of my role as a representative of the District. I will retain an open mind about what I see, experience, and do while participating on this trip; and I will live up to what is expected of me.

2. I know the Francis Howell School District policies governing student behavior are in effect for the entire trip, and I have reviewed the Code of Student Conduct where those rules are defined. I acknowledge the disciplinary consequences outlined in the Code of Student Conduct apply to my actions on the trip.

3. I recognize that the teachers/coaches/sponsors/chaperones are responsible for my welfare and for the welfare of everyone participating in the program. I will, therefore, cooperate with them by listening to and following their instructions.

4. I will honor the expectations, rules, and policies set for me by:
   a. Francis Howell School District
   b. My school
   c. My teachers/coaches/sponsors/chaperones

5. I will follow District guidelines concerning use of alcohol, illegal drugs, and tobacco products on school-sponsored activities. I will not drink alcohol, or use drugs, regardless of the laws in the state being visited. I acknowledge that engaging in this behavior will result in disciplinary action. I have reviewed the District policies related to alcohol and drug use and discipline with my parents.

6. I will not operate any motor vehicle while participating in the program.

7. I will participate in and be punctual to all activities planned for the group unless specifically excused from such activity by the teacher/coach/sponsor.

8. I will handle any unstructured “free” time in a responsible manner.

9. I am subject to being sent home early in the event the teacher/coach/chaperone determines I have engaged in inappropriate behavior. Examples of behavior that constitute sufficient cause to return a student home prior to the scheduled end of the trip include, but are not limited to, the following:
   a. Evidence or strong suspicion of use, possession or being under the influence of illegal substances
   b. Problems relating to alcohol
   c. Not present at hotel when required
   d. Commitment of any act that endangers the health or well-being of anyone else
   e. Evidence or strong suspicion of inappropriate sexual behavior
   f. Refusal to follow teacher’s/coach’s/sponsor’s/chaperone’s instructions

I agree that if I do not abide by the Code of Student Conduct, I may be sent home at the discretion of the teacher/coach/sponsor/chaperone at my expense, and my family will be responsible for all financial and other consequences of my behavior. Any student whose behavior warrants the potential for being sent home will be addressed as the teacher/coach/sponsor/chaperone deems appropriate after a conversation involving the teacher/coach/sponsor/chaperone, a parent/guardian, the principal or activities director, and myself.
