Coach Koch -

- Read an update from Steve Green on the fundraiser. The date for turn in has been extended to September 4, and there is also an October date for partial season participation. Need to really emphasize to the player's to sell the game pieces.

Dan Mueller -

- Updated us on progress of the turf field proposal. The board has requested bids. Other schools that have recently approved turf have met with some negative responses from the public so the feeling is that our board will be considering that. Coach Koch said that one proposal included Football, Boys Soccer, Girls Soccer, and Band each contribute \$5,000.00 a year for the next 4 years to the fund. Band is not interested in helping.
